

for fixing insulation to wood

Reference: TSX

Screw (TSX) and rosette (FI60) sold separately

Dessin technique

Description longue (Informations techniques)

Base material: Wood

Material: Zinc plated steel

Type: Insulation Anchor

Type: ITE other products

Insulation type: FLEXIBLE(WITH ADDITIONAL WASHER)

Insulation type: Rigid

Insulation plug: SCREW

Insulation thickness min: 30

Insulation thickness max.: 230
